

Getting to places...

Ok, so we all know getting around Cornwall can be kind of a challenge!

Cycling can be great for local journeys, including your trip to school if that's practical and safe.

The Cornwall Bicycle Project is just one of the local organisations that can help you with training and bike maintenance (if yours needs some TLC!)

Public transport can be the ticket to independence and adventure.

The more prepared you are, the more confident you'll feel and the more you'll enjoy the journey. Check out Transport for Cornwall for all you need to know to plan your trip by bus or train.
